

## COMMITTED TO SERVE OUR COMMUNITY

As a long-time resident of Coquitlam, married with two grown children, bus driver for 32 years in our community, I have been honoured to serve the residents of Coquitlam on Council for the last 13 years.

When re-elected, I will continue to work hard to advocate for affordable housing options and as well as sound environmental and development practices. I will also work to ensure that

the city is business friendly, financially responsible and provides improved roads and transit options, while keeping our neighbourhoods safe.

We all have a voice in local government. I am committed to making sure that your voices are heard. I am grateful to the community representatives and the advocates who have worked with me to make Coquitlam a great place to Live, Work and Play.
